President's Message

We are pleased to report that 2010 was a solid year for the Foundation . Our endowment funds earned returns of 9.52% and donations built the Community Fund to over $985,000 which brought us very close to achieving our Million Dollar Challenge! We gave out over $97,000 in total grants including $35,000 to 22 different local charities from the Community Fund and the Youth Advisory Committee. The balance of the grants were to Designated Funds and scholarships. The Arts Stabilization Manitoba Council established 2 new designated funds with us totalling $20,000 for support of art programs in our area. We purchased our little house at 487 Walker from the ARHA for $1 so now we own our office and are making plans for improvements.
So much for the numbers, on a personal side we welcomed 6 new members to our Board and I hope that they enjoy working with the Foundation as much as I have! We continued planning for new as well as existing Special Events to keep our Foundation active in the community. We would like to say a big "THANK YOU!!" to all our volunteers and participants who make our events happen and to all our generous donors who help us continue "Building for Tomorrow ~ Today" Sincerely, Bert Lowry

For more information or to pledge your support, please contact any member of the Board of Directors:
