WELCOME

On behalf of the member schools of the MHSAA, welcome to the 2010 Provincial High School Soccer Championships. We hope that this championship will provide you with a special memory of your high school years.

There are over 3,000 young men and women playing high school soccer, and the student athletes are to be congratulated for their advancement to these provincials. Many hours of practices, games and tournaments now reach a culmination. Teams now have a chance to try to reach the podium! Any athlete who has attained this level of competition, representing one's school, deserves credit for his or her own personal achievement.

We would like to thank the organizing committee and all student and staff volunteers. The Manitoba High Schools Athletic Association would also like to thank our Major Partners, Dairy Farmers of Manitoba, Red River Co-op, Manitoba's Credit Unions, Boston Pizza, Sport Manitoba, Subway and Home Run Sports for their support.

Congratulations to all who will be competing for the coveted title of MHSAA Champions.
