

WEST WINNIPEG ATHLETIC CONFERENCE

On behalf of the West Winnipeg Athletic Conference, I would like to welcome all the teams who have qualified for the 2010 MHSAA "AAAA" Provincial Urban Soccer Championships. Your hard work, dedication and commitment to excellence over the past few months, have led you to these Championships.

Each member of your team has played an integral role in your accomplishments and successes this season. When the measure of success of a team can sometimes be measured in the wins and losses column, through your involvement in sports this season you have also shaped personalities and developed young adults as well. Special recognition should go out to the coaches, and managers for all the countless hours spent developing the teams which will participate in the 2010 provincial Soccer championships.

I also wish to extend a special thank you to the parents, for their support of the athletes, and to the school programs that have in some way contributed to the development of the athletes who will both entertain and compete over the next few weeks.

The West Winnipeg Athletic Conference takes great pride in being associated with these Championships. The physical education staff from all the WWAC member schools have contributed to the success of this Championship tournament and it is with great pride that I recognize and acknowledge their efforts.

A tournament cannot run without volunteers therefore, on behalf of the WWAC, thank you to all the volunteers who have so freely given up your time to ensure the success of these Championships. Your efforts are greatly valued and appreciated.

Once again, congratulations to all the teams who have made it to these Championships and the best of luck to you all as you strive for the ultimate goal of being the Manitoba High School 'AAAA' Provincial Soccer Champions.

Sincerely,

Derek Bramadat
President
West Winnipeg Athletic Conference
