A most attractive and interesting web site, John. I'm looking forward to doing some "blurbs" for you with the new theme and other "bits" of music.

Best wishes for your further success,

Michael Conway Baker

Thanks John for your e-mail response regarding Sarah's autograph. She has influenced me so much with her music. The quality of your website reflects your dedication and loyalty as a fan. Hope you get another chance to meet with Sarah, as it must be a wonderful experience to be in her presence. Thank you for sharing with others your appreciation for this superb artist.

Hey, Mr. host, you are doing a fine job with your show! I tape it on Sundays to listen to later in the day, and sometimes I'm even up early enough to hear it live.

I especially like your local spotlite feature, a very good idea. Keep up the good work!
